Safe and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.

- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

 We do not recommend the use of power drills/drivers for inserting screws,

as this could damage the unit. Only use hand screwdrivers.

 Dispose all packaging carefully and responsibly.

Glue safety - Take care when using glue, please follow the advice below

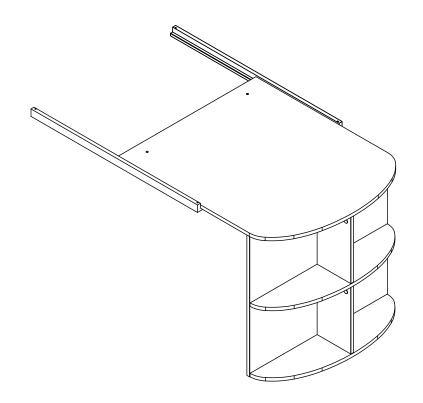

Skin contact: Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

Eye contact: Rinse immediately with clean water for 15 minutes and seek medical advice.

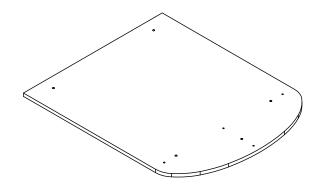

If swallowed: Seek medical advice immediately.

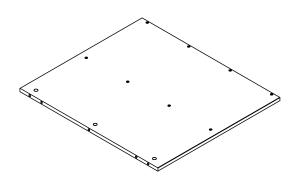

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
